

1 was checking my mail scared. And then between that
2 and her threat I was -- it was a very hard time in
3 my life.

4 Q. And as part of turning over documents in this
5 lawsuit, did you look through your messages between
6 you and him to see whether or not you had anything
7 relevant?

8 A. Yes. I looked through them. The only things
9 that I really had were us talking about the child
10 stuff and then my sister was going through a
11 divorce at that time so we would talk about my
12 sister's divorce, but as far as beyond that, I
13 don't have any of that because at some point I
14 would delete, like I said, a lot of things, like
15 pictures, old pictures, old files, just things that
16 I didn't need to have in my phone. The only reason
17 why I left the group chat was because it was always
18 ongoing and it was annoying to delete, because then
19 it -- you have to click each individual person to
20 get back to the --

21 Q. Were you ever romantically involved with
22 Chris?

23 A. I was never.

24 Q. Ever have any sexual relations with him?

25 A. Absolutely not.
